

Biography

Yves Bonte

**Chairman of the Board of Directors and
Chief Executive Officer of DOMO
Chemicals**

Yves Bonte took the helm at DOMO Chemicals in February 2020 following the company's purchase of Solvay's European Performance Polyamides business, the largest acquisition in DOMO's history which doubled its turnover and workforce. Since the acquisition, Yves' leadership has been instrumental towards developing the DOMO story with a clear purpose and ambitious strategic priorities supported by a strong Executive Committee and engaged DOMO employees.

Previously, Yves served as Executive Vice President Industrial at Yara International in Oslo, starting in January 2010. In the 17 years prior to this, he held various leadership positions in the chemical company LyondellBasell and its predecessors across the world – this after working for Exxon Chemical in Brussels.

Much of Yves' time at LyondellBasell was spent in Asia. From 2002, he was based out of Hong Kong for 5 years as Senior Vice President Global Sales and Marketing for Basell Polyolefins, an experience that gave him an appreciation of different cultures, values and business approaches. Yves believes in leading with respect, curiosity, care and accountability. He is committed to advancing business through innovation and increasing stakeholder awareness on the need for long-term sustainable solutions across all sectors of the industry.

Yves holds a post-graduate degree in Business Management and a Master's degree in Civil Engineering from the University of Leuven in Belgium. He completed the Independent Director Programme at INSEAD Business School in Paris in 2019.

Since 2018, Yves has been non-executive Director on the Board of Directors of DOMO Chemicals.
